- **SFI® Certified Sourcing – Sustainable Forestry Initiative®**

- An independent, non-profit organization dedicated to promoting sustainable forest management. SFI's Board of Directors represents environmental, social and economic interests equally. SFI's forest certification standard is based on principles that promote sustainable forest management, including measures to protect water quality, biodiversity, wildlife habitat, species at risk, and Forests with Exceptional Conservation Value.
- Hoffmaster® products included in this initiative are tissue napkins and tablecovers, FashnPoint® and Linen-Like® napkin lines and tablecovers, paper placemats, traymats and can liners, doilies, napkin bands and bake cups.

- **Cedar Grove® Accepted**

- Cedar Grove Composting, Inc. is a family-owned business with deep roots in the Seattle area dating back to 1938. Cedar Grove plays a critical role in the Puget Sound's recycling infrastructure and sustainability efforts, diverting more than 350,000 tons of yard waste and food scraps from landfills annually.

The company is recognized for leading the compost manufacturing industry in the region, working to develop and expand markets through its dynamic partnerships with iconic local restaurants, sports teams and key non-profit environmental organizations including The Nature Conservancy and Stewardship Partners. In 2017, Cedar Grove was recognized by the US Composting Council as "Composter of the Year".

- **FSC® Certification**

The Forest Stewardship Council® (FSC) is a global, not for-profit organization dedicated to the promotion of responsible forest management worldwide. FSC defines standards based on agreed principles for responsible forest stewardship that are supported by environmental, social, and economic stakeholders. To learn more, visit www.fsc.org.

- FSC® is dedicated to the promotion of responsible forest management worldwide.
- FSC® helps take care of forests and the people and wildlife that call them home.
- HGI holds the FSC® Mix Certification, meaning the products with the Mix label are made of FSC®-certified and other controlled material.

- **BPI Biodegradable Products Institute® (BPI)** is North America's leading certifier of compostable products and packaging. BPI's certification program ensures that products and packaging displaying the BPI logo have been independently tested and verified according to scientifically based standards. BPI promotes best practices for the diversion and recovery of compostable materials through municipal and commercial composting.

BPI's certification is based on scientific standards, including ASTM test methods and specifications and identifies products and packaging that are truly compostable and for which verifiable claims can be made.

- **Green Seal Certified™:** What is Green Seal? Green Seal is an independent non-profit organization that uses science-based standards and the power of the marketplace to create a more sustainable world, by promoting the manufacture, purchase, and use of environmentally responsible products and services (www.greenseal.org).
- Green Seal certification identifies industry leaders, with only the top 15-20% of the market expected to achieve certification. The Green Seal Certification mark has come to stand for reliability, fairness, and integrity.
